Amor Ramadani

New people, whose company I always enjoy the most, usually have the same first impression of me. They say that I have a friendly nature, that I'm curious, often the leader in group communication, and that I am very brave in taking on new challenges.

Also, in constant search of new opportunities to improve my skills and expand my knowledge. I personally see myself as a problem-solving-oriented person with a strong sense of self-awareness, ambitious, dedicated, and a true team player.

COMPUTER SKILLS

- Microsoft Office: Word, PowerPoint, Excel, Outlook
- Canva, CapCut
- Wordpress
- YouTube Studio, Meta Business Suite
- Notion, Slack
- Basic proficiency in Adobe Creative Suite (Photoshop, Illustrator, Premiere Pro)
